IV. Statement of Claim

(State here as briefly as possible the facts of your case. Describe how each defendant is involved, including dates and places. Do not give any legal arguments or cite any cases or statutes. Attach extra sheets if necessary.)

1. I was designated to the Special management unit in 2009 while housed in
Protective Custody at USP HAZELTON. I filed a BP-11 #56799-7A1 appealing my
designation to the S.M.U. It was never answered. I arrived at USP
Lewisburg on Nov. 30 2009 and immediately told % Cross that I feared
for my safety due to the fact that it is well known what happens
to inmates who have been on Protective Custody Status. Usually they
are violently assaulted. I told % Cross that I feared for my safety from
all white inmates especially the California Asian Brotherhood. Nothing was
done regardless of my pleas and I was placed into general population.
ON DEC 7, 2009 I filed BP-11 #573182-A1 to the Central office appealing
2. my placement and noting my fear of assault. See Attached form #1
on JAN 4, 2010 I was assaulted by 2 inmates in the recreation pens.
After being seen and treated by medical staff % Figlo escorted
me back to my unit. We encountered staff bringing inmates back
from the rec pens. She stopped me in the hall and had me stand
in the walkway while staff brought in inmates that had just attacked
me in the recreation pen, putting my safety in jeopardy again. See
Attached #2.
Continued the grievance process and stated my fear of white inmates at all
3. levels only to be denied And was continually placed with California
inmates. I filed BP-9 to B.A. Bledsoe #593105-F1 after being placed in the
cell with Brandon Mcker a known California Asian Brotherhood patchholder
only to be told he was not a member of their gang. % Webb tried to place
me in a cell with a white supremacist and when I explained to her that
I feared for my safety I was written up and placed in restraints. She
also tried to place inmate Dillmeyer in the cell with me, he being
one of the inmates that attacked me on JAN 4, 2010. She showed deliberate
indifference to my physical safety.

SEE ATTACHED Exhibit "A"

A

On Oct 28 2010 I was again placed in a cell with a known violent California Aryan Brotherhood member. Who knowing who I was and my previous protective custody status proceeded to attack me with a razor blade and slash my face causing 2 deep cuts across my face requiring stitches.

This is after I had filed for 8 1/2 months stating my fear of California inmates, yet the S.I.S. Lt's Heath, Dreese, and Perrin continued to place these inmates both in my cell and in my rec cages. Neglecting to take my numerous attempts to convince them of the threat to my safety serious.

S.I.S. Lt's Heath, Dreese, and Perrin finally conducted a threat assessment after 13 months of my pleading and immediately determined that there is a threat to my safety from other white inmates.

Associate Warden Young is responsible for all inmate moves and despite my numerous requests to him showing my filings for separation from California inmates he ultimately has showed indifference to my safety and ignored my pleas for protection from white inmates. On each occasion he has approved for these inmates to be put in my cell and rec cages.

I, BRIAN STOPS, declare this
to be true and correct.

Feb 2 2011, B. Stops

V. Relief

(State briefly exactly what you want the court to do for you. Make no legal arguments. Cite no cases or statutes.)

1. Would like the court to find that the defendants have acted in a manner that has shown indifference and neglect in doing their duties to protect my ~~eight~~ eighth amendment rights. And set this matter for trial.
2. Would like the court to award to me compensatory damages in the amount of \$5,000.00 for the injuries that I recieved.
3. Finally I ask the court to award me punitive damages in the amount of \$3,000.00 from each defendant for placing me in danger and acting in a reckless manner. And any other sanctions this court deems appropriate.

Signed this 2ND day of FEBRUARY, - 2011.

On Oct 28, 2010, I was moved from J-Block after an altercation with my cellmate (A Californian) to D-Block.

Part B - Response

ADMINISTRATIVE REMEDY RESPONSE

This is in response to your Request for Administrative Remedy dated June 6, 2010, wherein you request an immediate transfer to a state correctional facility due to fearing for your safety. You claim despite staff knowing your ongoing problems with white supremacist groups, a white supremacist was placed into your cell on May 11, 2010.

A review into this matter was conducted and on May 21, 2010, you assaulted your cell mate as noted above while he was in hand restraints. This inmate does not have an assignment on record of belonging to a white supremacist group.

In view of the above, there is no basis for relief, and your request for Administrative Remedy has been denied.

If you are dissatisfied with this response, you may appeal to the Regional Director, United States Federal Bureau of Prisons, Northeast Regional Office, United States Customs House - Seventh Floor, Second and Chestnut Streets, Philadelphia, PA 19106, within twenty (20) calendar days from the date of this response.

S.I.S is aware of both his standing with them and my ongoing problems with all white supremists groups, yet he was placed in my cell, with no regard for my safety. I notified % Trebley verbally and on paper that I needed to be moved to another cell as I feared for my safety, as B. Marker had started making comments that if his "brothers" called for it, he'd have to move on me. % Trebley told me "he had nowhere to move me and to do what I had to do." I had to be the aggressor as staff here take nothing seriously. Once again in notifying you that, I FEAR FOR MY PHYSICAL SAFETY AT THIS FACILITY. I request an immediate transfer to a state facility.

ADMINISTRATIVE REMEDY RESPONSE

In your request for Administrative Remedy, you claim you were assaulted on January 4, 2010, and staff have shown blatant disregard for your safety and never investigated the assault. You claim you were assaulted by members of a disruptive group and you have now been placed in a cell with an inmate from the same geographic region. You claim your continued presence at this institution places your safety at risk. You are requesting to be placed in a single cell, be placed in a single recreation pen, and to be transferred immediately.

An inquiry was conducted into this matter and you were assaulted by two inmates in a recreation pen. Staff conducted interviews after the incident in an attempt to determine the cause of the assault. Records reflect neither of the inmates who assaulted you are affiliated with the disruptive group nor from the specific geographic region. Records reflect your current cell mate is from the geographic region, however, he has no affiliation with the disruptive group. As a result, no evidence of staff misconduct was found.

Based on the above, your request for administrative remedy is denied. If you are dissatisfied with this response, you may appeal to the Regional Director, United States Federal Bureau of Prisons, Northeast Regional Office, United States Customs House - Seventh Floor, Second and Chestnut Streets, Philadelphia, PA 19106, within twenty (20) calendar days from the date of this response.

Part B - Response

*
You appeal the response from the Warden at USP Lewisburg regarding your allegation staff has shown blatant disregard for your safety. You state you were assaulted on January 4, 2010, and staff has not investigated this incident or provided you protective custody as previously requested. You claim you were assaulted by prospective members of a disruptive group and you have now been placed in a cell with an inmate from the same geographic region. You note you have not been interviewed and continue to feel your presence at USP Lewisburg places your safety in jeopardy. You request to be placed in a single cell, in a recreation by yourself and to be transferred.

A review of your appeal revealed you were assaulted on January 4, 2010, by two inmates in a recreation pen. Staff conducted interviews after the incident in an attempt to determine the cause of the assault. As indicated by the Warden, neither of the assailants are affiliated with the specific disruptive group in question nor from that specific geographic region. USP Lewisburg considers safety and security issues when moving inmates and making cell/housing assignments. There was no indication of any safety issues prior to this incident. Institution staff has advised there are no known issues between you and your current cell mate. There is also no known and verified reason you need to be celled alone. You should advise staff if there are issues with another inmate so an assessment can be conducted. We find staff has handled your situation in an appropriate manner. Accordingly, your appeal is denied.

If you are dissatisfied with this response, you may appeal to the General Counsel, Federal Bureau of Prisons. Your appeal must be received in the Administrative Remedy Section, Office of General Counsel, Federal Bureau of Prisons, 320 First Street, N.W., Washington, D.C. 20534, within 30 calendar days of the date of this response.

Part A - REASON FOR APPEAL

I am writing my 8th appeal for being victimized and being assaulted on JAN 4, 2010 by an inmate for the 6th time. The staff has shown no concern for my safety and have done nothing to ensure my safety although I've requested protection several times in writing before and after the assault on JAN 4, 2010 as can be seen with my past paperwork. I am even now being celled with an inmate from the farm and will not be moved even though I've made clear that I fear for my safety.

The warden answered my BP-910 letter that after the assault I.S. d.1 interviews, I've not been interviewed to date. I fear that my safety is in jeopardy and when I am moved to a single cell and single rec and

Administrative Remedy No. 575484-A1
Part B - Response

This is in response to your Central Office Administrative Remedy Appeal in which you state your safety is in danger, citing an incident from January 4, 2010, upon which you rely as proof. You claim to have expressed your fears several times to staff, but to no avail. You reference appeal 567997-A1 as indicative of staff ignoring your claims. You request solitary recreation, single cell assignment, and a transfer.

Contrary to your claims, staff pay close attention to every safety concern raised by inmates. Appeal 567997-A1 received a response in January 2010, three months before you filed this appeal. As noted in that response, you have not provided any evidence suggesting your life is in danger simply because you are confined to the Special Management Unit (SMU). Given your lengthy history of disruptive conduct, your placement in the SMU program appears appropriate and affords greater management of your interactions with other inmates.

You state the inmates who purportedly assaulted you in January 2010 were Californians and members of the Aryan Brotherhood. You support your claims regarding safety concerns stating your cell mate is also from California. Each inmate assigned to the SMU is carefully screened to ensure known threats are not assigned to the same unit and we add not every inmate from California is affiliated with a security threat group or is intent on doing you harm. You did not provide any evidence suggesting your current housing arrangement poses a threat to your safety nor did we find any. Should you experience or perceive threats to your safety, we encourage you to immediately notify appropriate staff as doing so will permit them to thoroughly consider any such issue.

Your readiness for transfer to a traditional institutional setting will be considered by staff at appropriate intervals in accord with Program Statement 5217.01, Special Management Units. In the meantime, we encourage your full cooperation with staff, compliance with institutional rules, and meaningful participation in all program elements. Your appeal is denied.

Part A - REASON FOR APPEAL FEEL THAT MY 8th Amendment Rights Are continuously being
violated at this program as I am a target by white inmates as I checked
at my former institution. It is widely known to staff what always happens
inmates in my position. I have on several occasions made my fear for my
safety known only to be denied and put into more dangerous situations.
Staff here has acted with deliberate indifference to my safety despite my ongoing
ling of fear from white inmates. Including California Inmates. Yet EVERY cell
mate I have had here at this program has been either associates of
the California Aryan Brotherhood or from California. Staff have placed these
inmates in my cell in retaliation for using the grievance procedures. I was
attacked on Oct 28, 2010 by an Inmate from California, even though I've made it
well known to staff of my fear of California inmates. I am now disfigured
due to this attack and negligence by staff. I appeal the WARDENS decision to
